Die in diesem Band enthaltenen Storys sind bisher im deutschsprachigen Raum als Album nicht veröffentlicht worden.

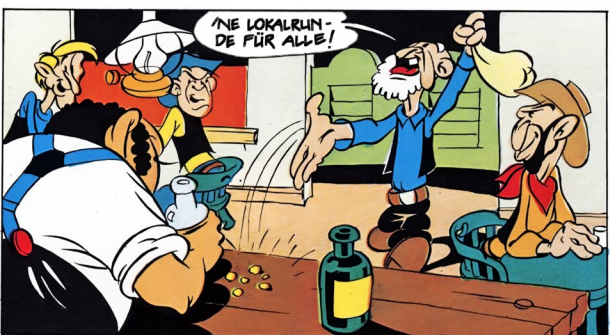

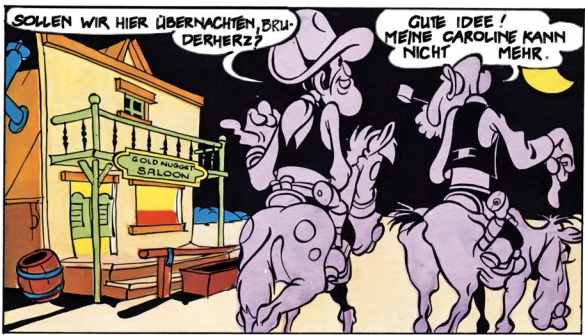

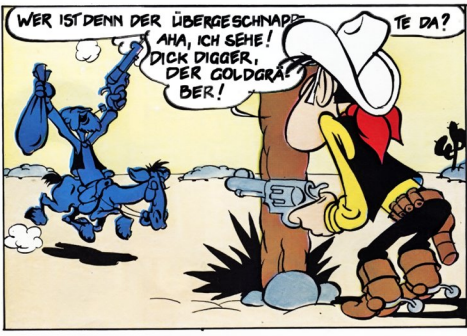

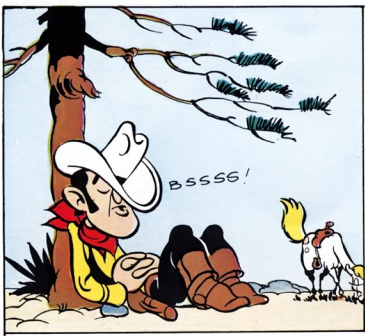

Die Goldmine von Dick Digger (La mine d'or de Dick Digger – Panels 1 bis 25) erschien zuerst 1947 im belgischen Comic-Magazin *Spirou* Nr. 478-502.

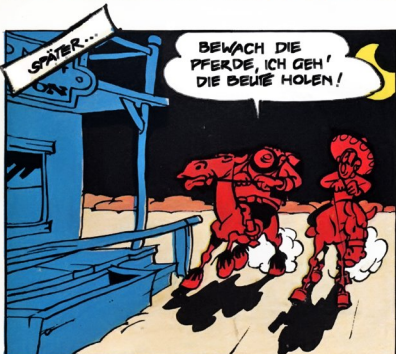

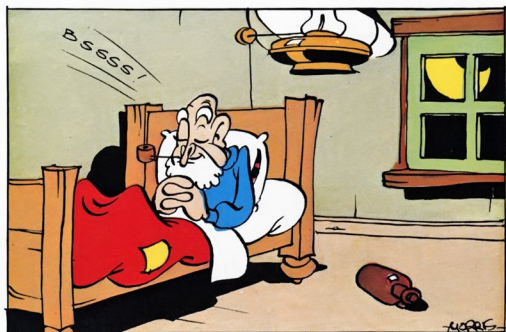

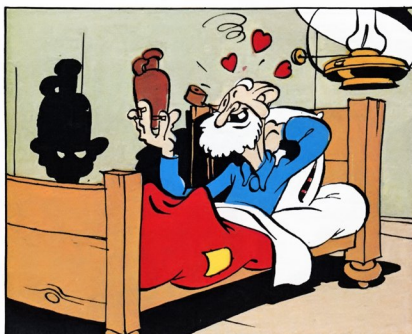

Der Doppelgänger (Le sosie de Lucky Luke – Panels 28 bis 50) wurde ebenfalls 1947 in *Spirou* Nr. 505-527 abgedruckt.

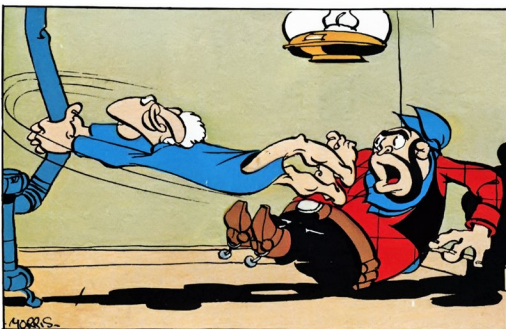

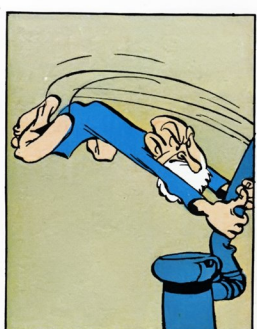

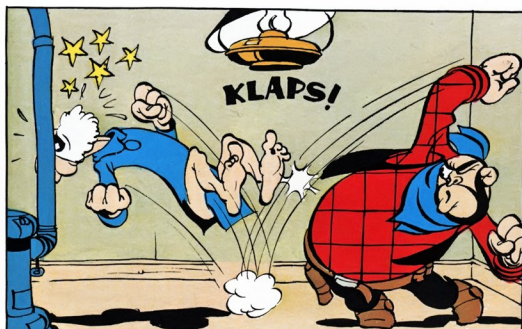

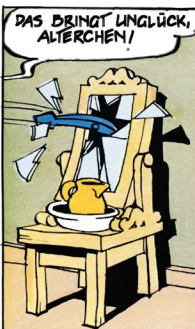

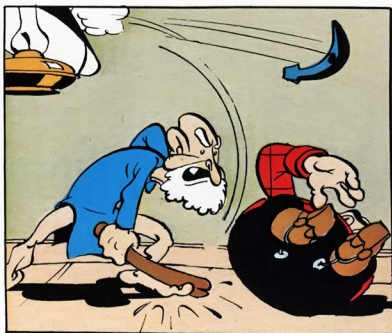

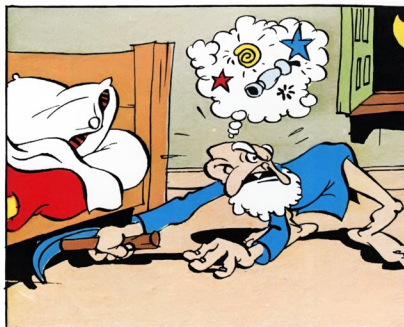

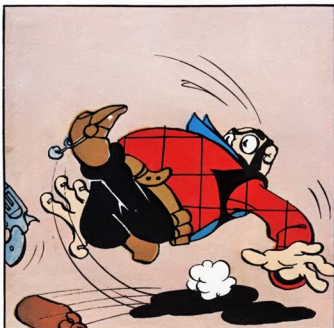

Beide Geschichten wurden dann 1949 im Verlag Dupuis als Lucky Luke-Album 1 herausgegeben. Dazu gehörten ursprünglich noch zwei Ein-seiter (Lucky Luke et son cheval Jolly Jumper – Panels 26 und 27 – abgedruckt in *Spirou* Nr. 503 und 504) sowie Panel 49, die in den Ausgaben ab 1969 nicht mehr erschienen.

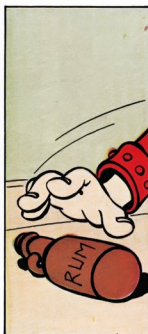

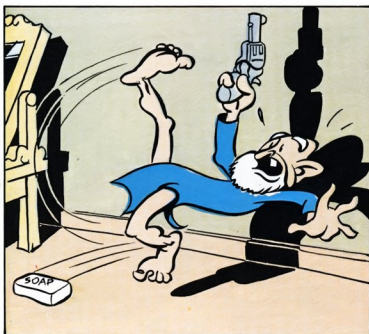

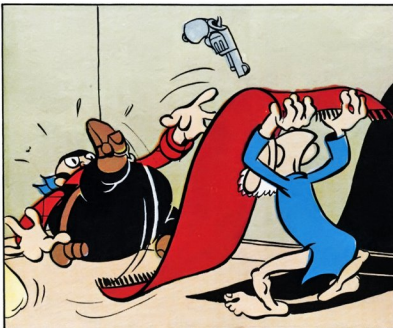

Die EHAPA COMIC COLLECTION folgt in ihrer Ausgabe der Reihenfolge des Verlags Dupuis, in dem alle Lucky Luke-Alben bis Band 31 zuerst veröffentlicht wurden. Dabei wurde auf eine streng chronologische Einordnung verzichtet. So erscheint *Arizona 1880*, das früheste Abenteuer des einsamen Cowboys aus dem Jahr 1946, erst in Band 3 der Serie.

LUCKY LUKE

Der Mann, der schneller zieht als sein Schatten

Siegreich in zahllosen Duellen, ist der glorreiche Westernheld, Beschützer hilfsbedürftiger Ladies und Schrecken aller Viehdiebe, Falschspieler und Banditen. Seit 1946 zeichnet Morris seinen einsamen Cowboy, der im Lauf der Zeit älter geworden ist wie wir alle und dabei sogar das Rauchen aufgegeben hat.

In der EHAPA COMIC COLLECTION erscheinen jetzt exklusiv alle frühen Arbeiten von Morris in feinsten Sammlerausstattung und mit Bibliographieteil.
